

AGREEMENT BETWEEN THE EUROPEAN PHYSICAL SOCIETY (EPS) AND THE BRAZILIAN PHYSICAL SOCIETY (SBF)

The purpose of this agreement is to facilitate and encourage the scientific exchange of visitors from the two Societies in order to promote progress in all research areas of common interest and to build academic ties.

It is agreed that:

1. Members of the EPS can register at events promoted by SBF with the same registration fee as the corresponding SBF members;
2. Members of the SBF can register at events promoted by EPS with the same registration fee as the corresponding EPS members;
3. The EPS and the SBF will exchange information on their respective activities with a view to enhancing collaboration and cooperation

This agreement is valid for 5 years after its signing and can be renewed for similar periods.
